Introduction

About this book:

This unit contains a set of beginning consonant CVC cut and paste word work activity pages (exception: letter X).

Directions for use:

Children begin by colouring the pictures on the page, reading and tracing the CVC words and then cut and pasting the letter tiles in the correct squares to build each word.

Please note: A second page containing the letter tiles has been added for almost each CVC word work page. Please cut this page along the dashed lines as each student will receive one strip to go with their word work page.

Happy Teaching :)

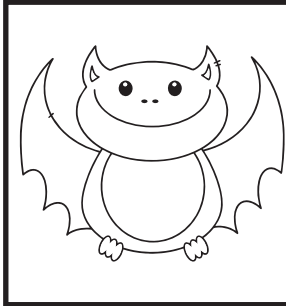

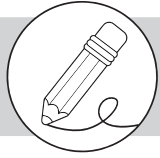

See it in action:

You can see this unit in action in my preschool blog posts.
